## About Us

Established in the year **2008**, we, '**Subhash Sales Private Limited**', are one of the leading organizations engaged in processing, supplying and exporting a comprehensive collection of **Soya and Milk Products** in the market. Our range of products is widely accepted in the market for its mouthwatering taste, fresh, extraordinary nutritional benefits, purity and hygienic quality. In addition to this, we pack all our products using high grade packaging material for eliminating the chance of any kind of impurity. We have constructed a state-of-the-art infrastructure of our firm, that is located at **New Delhi, India**. This unit is segregated into various sections to ensure smooth functioning and timely completion of the tasks. The offered products of our firm are made in our sophisticated and hygienic processing unit. We have all the advanced processing, quality testing and packaging machines at our infrastructure. After being processed, the products of our firm are stored safely and packed in a hygienic manner in our warehouse and packaging unit. Owing to all these attributes, we have garnered huge clientele across the **Indian Subcontinent, East Asia, Middle East and South East Asia**. Under the guidance of our respected mentor '**Mr. Subhash**', who has rich experience in this domain, we have carved a niche for ourselves in the market. His hard work and dedication has enabled us to deliver superior range of products which are rich...
