Manufacturer of plaster of paris.

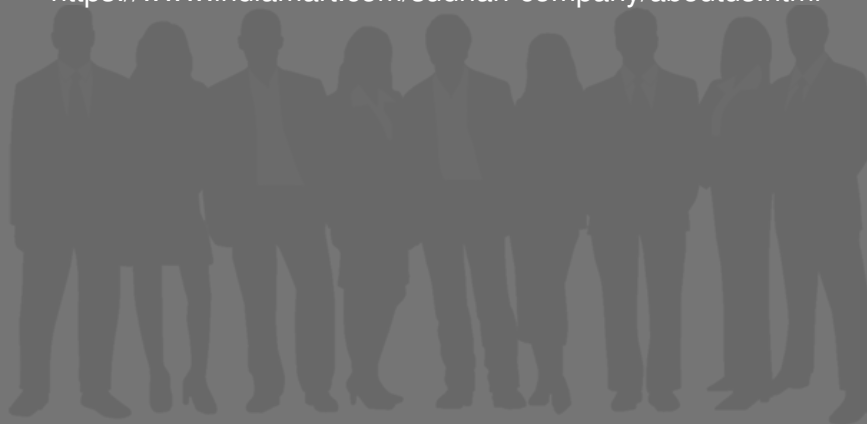

About Us

M/s Sudhan & Co., Tuticorin is one of the fastest growing professionally owned enterprises in India and in the global market. The flagship company M/s Krishna & Co., with an entrepreneurial vision coupled with lofty ambitions and hard work set the pace for the growth of the group. Today, the Krishna business portfolio is a diverse, yet profitable assortment of Exports, Imports, Shipping, Merchant Trade, Engineering Constructions, Warehouses, Logistics, Heavy Equipments, Weigh-bridges and Manufacture of Salt. The Manufacture of Plaster of Paris is recently added to the portfolio of the group with special credentials. The journey from laying a most trusted trading house to a diversified conglomerate is fast, yet memorable. We are proud of our reputation as a company that strives for integrity whether through supplier diversity, governance or transparency, our commitment to ethical business practices is renowned. Our customers rely on us for quality and they also look high on us for our leadership and responsible management. The company is working with a mission to provide our customers a competitive advantage through superior logistics, transportation and after-sales solutions and foremost with flexibility in pricing. We look forward to progress by keeping pace with the changing global scenario and responding to the demanding needs of the plaster industry and the domestic trade.
