## About Us

Suditi hospital started on a humble note in the year 2004. During these years we have industriously and productively provided services to scores of patients with various types of ailments involving all types of trauma, operative procedures, obstetrics, critical care etc. Through sincere caring and unflinching conviction in providing quality services to all classes of society, the small beginning has shaped into a Multi-Specialty Institute, that is fully operational to perform various surgical procedures viz- Laparoscopic, Plastic, Neuro etc. using latest technologies.

**Suditi Hospital** is situated approximately 8 Kilometers from Railway Station and 2 Kilometers from Airport. It is easily accessible from all points of the city by Auto-Rickshaws, Taxis and Local buses. **Suditi Hospital** is centrally air-conditioned and has more than 40 beds spread over three patient floors. There are different types of rooms to suit all class of patients ranging from Luxury, Deluxe, Private, ICU, NICU and General wards. **Suditi Hospital** has Two Operation Theaters which are fully equipped for all types of surgeries. The Clinical services are supported with In-house diagnostic services, efficient para-medical staff and management.
