Sujan Plastics is a pioneer in manufacturing and supplying a wide range of HDPE Tarpaulin covers and allied products. Situated in Ahmedabad, we are a well known name in the industry for the range of high quality Tarpaulin covers offered by us.

About Us

Our year of establishing “**Sujan Plastics**” was **2002**, when there were very few companies in the manufacturing of high grade **HDPE & PP Tarpaulins**. Since then we have engaged ourselves in the business of manufacturing and supplying high quality **HDPE & PP Tarpaulins, HDPE Tents, HDPE & PP Woven Bags, HDPE & PP Laminated Fabrics, HDPE & PP Woven Fabrics and HDPE & PP Paper Bags** in India and Asia Pacific region. Our annual turnover has stood a little above 10 Crores last fiscal and we look forward to take it beyond 15 Crores in the current fiscal year. With us, the following categories of products are available **HDPE & PP Non Woven Laminated Fabric Rolls, HDPE & PP Water Proof Tarpaulins, HDPE & PP Tarpaulins For Agriculture, HDPE & PP Wagon Tarpaulins** and many more. The entire range of Tarpaulins that we make, are manufactured using validated industrial processes and high quality raw material. During the manufacturing process of our products, we place environmental safety guidelines on priority one. This is because we use non bio-degradable raw material in the manufacturing process and its leakage in the environment can be harmful for health. We take adequate precautionary measures to protect our staff and the environment. Our quality checks ensure that the manufactured Tarpaulins stand the test of weathering agents such as rain, wind and sun. The range of HDPE Tarpaulins very wide and the...
