## About Us

**Peace**, **Relief**, **Relaxed**, **Satisfied** is what **Sukoon** means. **Sukoon Beauty** Salon is not just a salon but it is a one stop shop where the relationship between happiness and beauty is directly proportional.

Harvesting the essence and emotions of Indian culture and juxta posing it with western sensibility, **Sukoon** has a deeper, less obvious take on exotic fusion.

With a creative heart and an entrepreneurial mind, **Sukoon** caters to the modern, stylish and vivacious women of today.

**“Sukoon Beauty”** is one stop shop for **Nail Bar & Spa, Skin Care Clinic, Hair Salon & Makeover Makeup Studio**. In **1994**, it started a small salon at residence with four chairs and six employees. Today **Sukoon** has come a long way from its humble beginnings and is counted among Western UP'S top professional and innovative salon chains. The secret of success is 'quality and professionalism'. This is an industry where hygiene and high quality standards help in long run.
