## About Us

Tailored, modern and elegant; rough, sleek and bold – the interiors by Sumesh Menon are individually conceived and meticulously crafted. Unique architectural and decorative solutions beautifully detailed and executed, each project emphasizes the integration of architecture and interior design. His work is at once familiar but also reveals surprises and new interpretations, embracing both the period and the modern.

Sumesh is a designer and founder of Sumesh Menon + Associates, an interior design firm specializing in high end and bespoke residential, corporate and hospitality interiors.

His sensory rich projects are imbued with a modern mixture of found objects, repurposed materials, accessories and furniture made at highest level of international craft. By providing clients with elite level of turn-key service, Sumesh ensures the most dynamic and efficient design process. Carefully developing each project from concept to post-construction Sumesh works holistically to realize each client's unique vision.
