## About Us

SUMIT TOOLS (INDIA) is incepted in the year 1990, with the sole motive to provide value for money to our esteemed customers. We have grown magnanimously under the strong headship of the CEO of our company Mr. Vinod Khanna. We are the one-stop shop for acme quality industrial cutter, gear hob, thread roll, threading taps and many more. We are recognized as one of the most illustrious gear hob cutter manufacturers and suppliers from India. Quality Assurance : We are highly focused towards delivering standardized quality products to our customers. Manufactured using the finest quality raw materials, our products are highly appreciated for their peerless quality. In addition to this, our products are checked under various quality parameters that assist us in assuring our reliability to customers. Our products are manufactured as per BS, BIS, ASA, DIN, JIS & GOST standards etc. Infrastructure and Team work : We have a sophisticated infrastructural base that is equipped with high tech machines for the production of zero defect products. Also, we have a team of high caliber professionals who form the foundation stone of our organization. Our experts monitor and check all our products and thereby help us in delivering standardized products. Clientele : We have adopted a customer friendly approach that has helped us in delivering flawless products. Our aim is to provide complete satisfaction to customers and this has enabled us in augmenting our list of customers nationally....
