About Us

We introduce ourselves as innovative creator of exclusive embroidery creation suitable for couture collections, bridal gowns, dresses, collars, cuffs, trims etc. As per the requirement of our valuable clients. We are in the business of creating specialized hand embroidery embroidery creation for designers and fashion houses across the globe. We work mainly on our clients input and create. We believe in offering the highest quality of personalized services to our clients.

Sumoda design studio is known and respected in the fashion world for its commitment to quality, time and trust.

We understand the need of secrecy of designs of our valuable clients hence we never recreate any of our swatch which is once sold to client. We ensure confidentiality of the designs and inputs. We are available to clients 365 days of the year, 24 hours a day.
