## About Us

Indian handicrafts have been appreciated all over the world for their unique charm and exclusivity which diverse Indian cultures, lifestyles, traditions etc. have lent the most vibrant and exquisite designs of Indian Handicrafts. We endeavour to channelize this traditional legacy with passion in this international market since 1991. On small scale we had entered in this global market by manufacturing and exporting artistic handicrafts / furniture items made of Wood, Iron, Brass, Stone & now in many other varieties.

We own design and fabricate the items & develop them from our own craftsman & make the products having aesthetic sense mixed with beauty and useful effects. The need, requirement and satisfaction of our client are our top priority. Our assurance towards products exported by us are not only the best in the market but also exclusive in their designs and quality. Our emphasis has been on quality right from the beginning. The quality we anticipate form our vision is a result of good raw materials, skilled labour force & quality checks at various levels. We have a dedicated team for quality management that tests the quality standard from the start to the finish of the production process. Our products create magic everywhere by enhancing the beauty of any location - whether it is the garden, kitchen, bedroom, drawing room or many others. Indian handicrafts have been appreciated all over the world for their unique charm and exclusivity which diverse...
