About Us

The best company in production and supply of Sanitaryware welcomes you to its web site. This site is a 24/7 showcase of products and company details. We are sure you will be able to browse and select products of your choice. The site will showcase the whole range of it's product. It also has brief history of Sunline Ceramics and its current standing. Do read our brand promise, highlighting you the reason of our Brand Success. Your feedback is important to us and we will be glad to have the same.

We established Sunline Ceramics in the year 1995. The plant is located at Thangadh, one of the major Sanitary ware producing regions of India. Initially, the setting up of technology and markets were quiet tough, but with time, we overcame challenges and emerged as a successful sanitary ware supplier in India and the world. Today, we have long experience of business and technology. We use strong technology and well balanced production systems to ensure smooth and efficient production. The quality perspective of people at all levels ensures that every piece of sanitary ware that we produce is appreciated by the buyer and makes the seller proud.
