## About Us

Sunrays policy is India's new emerging insurance service provider company seeking both life and non life insurance. Sunrays itself means getting the rays of light in your life and its policy protect the life of human beings. Here we help you to find the insurance plan that best suits your needs, after factoring in the features and benefits you wish to avail at a price you can afford. Our main objectives are to cover the risk, planning for life stage needs, safe and profitable long term investment, assured income through annuities , growth through dividend , tax benefit etc. Each case is different but most people take out life insurance to ensure that their family is financially secure and can continue to maintain their standard of living even after unexpected death. We believe that more you ask, the better are the chances that you end up with buying the right policy. Insurance gives you peace of mind and you know that if anything happens to you, your family or your business then insurance is the only source which may going to support you. The best course of action is to prepare for the worst and hope for the best. To put it simply, shine your future!!
