About Us

Sunridges Specialty Hospital is registered private limited company. The company is operated by professional. With highly trained, dedicated and friendly professionals, Sunridges Specialty Hospital is committed to deliver advanced surgical and medical-services consistently excelling across all specialties offered. The new centrally air-conditioned, patient centric Hospital situated in the posh Mumbai suburb of Juhu Scheme, is started with over 50 beds in Phase I. The Hospital will add additional 50 beds in phase II. Whether you are an in-patient, a day care patient or an out-patient, you will always be well cared for by a team of dedicated professionals. All our clinical staff members are eminent professionals, who regularly undergo a range of annual updates to ensure that every patient receives the latest and best treatments. Our facility is designed, keeping in view what is clinically and comfortably best for the patients. It is equipped with all the latest, best in class equipment, confirming to every requisite standard in order to optimize patients' safety and doctors' efficiency. **Mission & Vision** To pioneer in creating a center of excellence in a given specialty.
