Trader and supplier of double sided foam tape, silica gel etc.

About Us

Established in the year 1985, we, Super Bright Engineering Company, are one of the leading traders and suppliers of a quality range of Self Adhesive Tapes and Packaging Consumables. Our range consists of Polyolefin Film (Shrink Film), PET, PP & Steel Strapping, Cling & Stretch Wrap Film, Self Lock Bag, Heat Sealer (Polythene) and Glue Sticks. We procure all our products from the renowned brands like TESA, PANFIX, CELLUX and NICHIBAN.

In 2005, we had opened our branch at Hyderabad, which deals in Self Adhesive Tapes for industrial applications. To successfully store all the procured products in an organized manner, we have established a spacious warehouse, which is manned by our team of expert professionals. In addition to this, our team works in close coordination with the customers to know their exact demands in a better way. Moreover, we provide easy payment terms like D/P & D/A to our clients and accept payment through cash, DD & cheque as per the convenience of our clients.
