Pioneer in the manufacturing of customized drones, VTOLs, RC Aero-models, and multi-rotors. We also provide training and air shows. 30+y exp.

About Us

We are a pioneer in the manufacturing of customized drones, vtols, RC aeromodels, and multirotors.

Our experienced professionals provide practical training in construction and flying.

We also provide Air Shows (Flower Dropping, Banner Tow, and #Aerobatics) for events and functions.

We have more than 30 years of experience in this industry.

Some of our clients include Chandigarh Tricity based drones companies, universities and schools.
