Super Scientific Suppliers

<https://www.indiamart.com/super-scientific-suppliers-coimbatore/>

Quality is our driving force which has enabled us to offer technically advanced products which are industrially beneficial to our customers. This empowers us to achieve immense support amongst our customers.

About Us

Established in the year 1988

Ours is a professionally managed firm engaged in supplying Quality based wide range of scientific equipments to various Educational & Research Institutes and all types of industries. We have also expanded our business perspectives by venturing into providing Services of complete lab equipments and also creating an Annual Maintenance contract.

Quality is our driving force which has enabled us to offer technically advanced products which are industrially beneficial to our customers. This empowers us to achieve immense support amongst our customers.

Over the years of our operation, we have received great appreciation from our clients and they still encourage us for the quality we keep up. We have grown as a recognizable name in the industry. Our marketing activities have spread throughout the state of Tamilnadu, Kerala, Andhra Pradesh & Karnataka.

Our promise towards the maximum client satisfaction has enabled us to source precision engineered range of testing and measuring instruments.

Our motto is to satisfy & delight our customers by providing them technically correct, high quality precision equipments as per the requirements within scheduled time span & to deliver a strong value added after sales service support. We believe our success is not only getting good business , but customer satisfaction. Over a period of time we have achieved satisfied customer comments.
