About Us

Superex was established in the year 1979. We are the leading Manufacture, Supplier and Trader of Organic virgin coconut oil and various organic products. We supply various oils like sunflower and sesame seed oils, Carrot Seed Oil , Watermelon oil, Stevia Dry Leaf etc. We make handmade soap from scratch with pure ingredients. We supply Kokum butter that is unrefined and natural and also refined if necessary. Essential oils are also available through us.

Extracts from curry leaves and various spices like turmeric and coriander can be made available with advice from our associate consultants.

We have a network of farmers and associates in various parts of the country to supply herbs, millets, oils and spices They work in cooperation with each other to perform each assigned task and meet the clients' requirements on time. Each product that leaves our premises is well checked and tested on the basis of industry defined quality benchmarks.
