About Us

Super Hobs & Broaches Pvt. Ltd. was established in the year 1999. We are one of the leading supplier, manufacturer, importer, exporter, and service provider of Broaches, Gear Hobs, Precision Gauges, Side & Face Cutters, Metal Cutting Saws, Form Relieved Milling Cutters, Gear Shaving Cutters, Gear Shaper Cutters, Master Gears etc. These products are highly appreciated for its high-end features like toughness, impact & heat resistance, dimensional accuracy and durability. Besides, we offer these products in standard as well as in customized specifications to best serve the purposes. Also, we make stringent endeavors to understand the requirements of clients in a close manner and meet the same in the most promising way.

We have always believed that quality is not the outcome of any manufacturing process, rather it is the process itself. Hence, from the very initial step, we pay due importance to the quality of our products. Further, our state-of-the-art infrastructure is one of its kind. It is equipped with all the requisite facilities that enabled us to swiftly meet the requirements of the clients within the set time period. The manufacturing as well as the quality testing process are carried out by our highly efficient competent professional. Highly efficient and skilled manpower ascertains that only the best quality products leave the production facility. Strict quality control measures & state-of-the-art equipment are used to determine the quality of these...
