We are ISO 9001:2008 Certified company manufacturing various kinds of Electrical and Electronic products, established as Supreme Electricals on 19th April 2010, Located at Gokulwadi, Sankhali – Goa.

## About Us

We are ISO 9001:2008 Certified company manufacturing various kinds of Electrical and Electronic products, established as Supreme Electricals on 19th April 2010, Located at Gokulwadi, Sankhali – Goa. Later the name and style was amended to ARYANKA ENTERPRISES on 13th Jan 2011. After tremendous handwork and determination we were successful to get ISO certification on 13 July 2012. We provide a wide range of high quality wiring harness that is manufactured from the optimum quality raw materials. Wiring harness provided by us is available in various sizes, dimensions and colors to meet the various requirements of the clients. Our wiring harnesses can be used in various industries like Automobile, Electrical and many others. Our wiring Harness like engine wiring harness, electric wiring harness etc. are highly durable and can endure high wear and tear. In Electrical Division, harnesses manufactured by us were supplied to major Companies like IFB, Crompton Greaves, Genset Systems, Electrotech Systems & Lift Controls Pvt. Ltd. Recently we have supplied Electrical Harnesses to Automobile Corporation of Goa Limited (ACGL) which are being used in state transport busses of Kadamba Transport Corporation (KTC) Goa.
