We “**Supreme Chromatography India Llp**” are a Partnership based firm, engaged as the foremost **Wholesale Trader** of **GC Capillary Column, GC Syringe, HPLC Syringe, etc.**

About Us

Established in the year **2014** at **Navi Mumbai, Maharashtra**, we “**Supreme Chromatography India Llp**” are a Partnership based firm, engaged as the foremost **Wholesale Trader** of **GC Capillary Column, GC Syringe, HPLC Syringe, etc.** Our products are high in demand due to their premium quality, seamless finish, different patterns and affordable prices. Furthermore, we ensure to timely deliver these products to our clients, through this we have gained a huge clients base in the market. Supreme Chromatography India is an Indian company, which distribute SGE Analytical Science (SGE) chromatography products in India. SGE Analytical Science (SGE) is a Trajan brand for components and consumables used in scientific analysis. SGE has a unique capability to create solutions for its analytical science customers. Through the exceptional understanding and knowledge of chromatography gained over five decades, SGE has developed world leading manufacturing processes. SGE manufactures over 5,000 different products, utilizing tens of thousands of components incorporating hundreds of different processes. The SGE range includes everything from syringes to GC and HPLC columns, tubing, connections and accessories. SGE consumables are available for the top brands of chromatography instruments such as Agilent Technologies, PerkinElmer, Shimadzu, Thermo Scientific and Varian / Bruker.
