About Us

Established in the year 2003, our company, Supreme Silicones has earned great accolades in the field of manufacturing and exporting a wide range of Silicone Specialty Chemicals. Our range includes Textiles Softners, Potassium Methyl Siliconate, High Vacuum Silicone Grease, Hydroxy Silicone Oil, Mould Release Agent, High Viscosity Silicone Oils, Silicone Adjuvant, Sprayders Wetting Agents, Hexamethyldisiloxane, Silicone Wristband etc. Under the visionary supervision of our Chairman, Mr. Omkar Kamble, we have raised our status to the zenith of the success.

Known for their Low volatility and Active coalescing, our products are exported to various countries including Asia, Middle East and Africa. These are supplied to various industries such as Pharmaceutical, Rubber, Paper, Sugar and others, due to which we have created a large clientele across the world.

We own state-of-the-art manufacturing units that are established in Pune and Aurangabad, enabling us to attain a production capacity of 1000 ton per day. Further, our entire range is properly tested for various quality parameters at our in-house quality testing facility.

Our company is an ISO 9001:2008 and D&B certified, which substantiates the international quality standards followed at our organization. We have appointed a team of experts who work with total commitment to provide optimum...
