About Us

We, **Suprim Chemicals** are proud to introduce ourselves as a leading **manufacturer, supplier, Importer and exporter catering to** the pharmaceuticals and Food sector since **1987** in the industry with **WHO / GMP Certification**. Our entire range of products is widely appreciated for high nutritious and therapeutic properties. For ensuring highest level of purity and quality in our products, we have entered into strategic business partnerships with the most trusted vendors that are themselves leaders in the arena. Our customer base consists of various organizations spread all over the domestic market. We are also having exporting capabilities to various nations across the globe with the focus of our exporting efforts being centralized in the U.S. The various products in our wide range of offerings include **L Lysine Hydrochloride USP, L Glutamic Acid BP, L Threonine USP, DL Methionine BP, Propyl Paraben IP** etc. All our products are quality assured and in accordance to set guidelines of industry.

We serve the pharmaceutical sector by providing a large variety of active pharmaceutical ingredients and pharmaceutical intermediates. The company is headed by **Mr. Shri Nityanand Hegde**, who fulfills the role of **Chief Executive Officer** and **Chairman** of the company. It is his leadership, ethical working approach, foresightedness and outstanding administrative qualities that has brought us to great heights and continuous us to move ahead...
