Suraj Textiles

<https://www.indiamart.com/surajtextiles/>

We are Manufacturer and exporter of scarves, stoles, sarongs, tops, wrap skirts, fashion jewelry and other fashion accessories etc.

About Us

Our Exclusive and latest collection of Fashion Accessories includes Scarves, Beach Accessories, Shawls, Belts, Evening bags and tops for women and girls.

Our Exclusive collection of Scarves: Our latest range of scarves include beaded scarves, Organza scarves with appliqué, Scarves with tassels, Scalloped edged scarves, Scarves with lace and a variety of embroidery, Crochet Scarves, Scarves with cut work, printed as well as scarves dyed using a variety of techniques like tie dye, batik, ombre or degraded dyed scarves. We also do knitted scarves which are made from either viscose, wool, polyester or other blends. We use a variety of fabrics to make our scarves. These include viscose, wool, polyester, cotton, velvets, nylon, silk and many other blends. **Scarves for Weddings** Our range of Scarves for occasions like wedding are made using a variety of embroidery techniques like bead, sequins and zardosi work in which intricate patterns are painstakingly made on a variety of fabrics like organza, silk, tissue, or a combination of these. An occasion like wedding asks for the best of material and craftsmanship resulting in a range which is always in vogue with models around the world.
