About Us

Surat Photo Club was founded by Photographer and Nature Lover – Aneeket Soni and supported by a team of all-star advisers. Surat Photo Club is out to redefine the Photography and to provide a platform and hall of fame to the young and enthusiastic photographers. Much more than photography, we've built a unique photography community that fosters collaboration and rewards creativity. Surat Photo Club is a platform for like minded photography enthusiasts who can explore & share interesting stories and facts. Through contests we support learning so that you can compete with the best in the industry. Through workshops we purify the basics concepts and polish the ability of participants by correcting wrong myths and facts of photography. We also encourage Adventure Activities which is the soul requirement of every person. We believe that Adventure is to know our physical and mental capacity. And over come our fear with balance of performance and show off. There is much more about Surat Photo Club. Join us now and experience the whole new world of creativity and explore the inner talent in yourself. "BELIEVE IN YOURSELF"
