We are an ISO 9001 : 2008 Certified Company. We are active as Exporter, Importer, Manufacturer, Trader, Wholesaler, Distributor, Supplier and Consultant of a wide range of **Renewable Energy Products, Textile Products and Diamond Products**.
About Us

Established in the year 2001, we, 'Surat Exim Private Limited', have positioned ourselves among the top notch names engrossed in supplying, importing, exporting and trading an impeccable conglomerate of Ladies Garments, Home Furnishing Items and Solar Products. These products have captured both domestic and overseas markets of the Indian Subcontinent and East Asia for their admirable quality. To deliver a quality assured assortment of products to the customers, we procure these from the trusted and reliable vendors of the market after doing extensive market research. We import our products from well-known manufacturers based in China, Africa and Asia. These manufacturers use premium grade raw material to execute all production related processes. We have been supplying these excellent quality products to myriad industries. Apart from this, to facilitate prompt monetary transactions, we accept payment via various modes like cash, cheque, credit card, online, DD. Also, we deliver these products via road, air and cargo within a stipulated time frame. Due to our qualitative and designer range of products we have been able to build a vast client base and acquire the membership of Special Economic Zone (SEZ). Under the able guidance of our mentor, “Mr. B. L. Verma”, we have been able to set an indelible mark for ourselves in this ever changing market. Owing to his in-depth expertise of this domain, we...
