About Us

We, Surekha Enterprises are one of the trustworthy companies engaged in trading and supplying an extensive range of Assembled & Branded Computers, Laptops and Computer Accessories. Besides, we also render excellent after sales services for the same. We cater our services to many corporate houses, banks, educational institutes like schools and colleges with utmost precision. With the help of our adept team we have emerged as a one-stop solution provider for Computer needs.

Keeping in mind the budgetary constraints and convenience of our customers, we offer complete solution for the entire computer and associated accessories under the same roof. Our specialisation lies in Computer Repair and Networking Services. Apart from that we do provide consultation and meet the Computer and Peripheral equipment needs of the customers. Our entire business operations are led by “**Mr.Rajesh Mishra**”, having rich industry know-how in the respective domain. His guidance helps in rendering effective customize services. Workforce We are backed by a group of well qualified and experienced professionals who work throughout the day to yield high quality products.
