We are manufacturer and supplier of qualitative **Orthopedic Implants and Instruments**. These products are heavily relied upon owing to their superior built and durable structure.

About Us

Established in the year **1997**, we, "**Surgi Made**", are an illustrious manufacturer and supplier of durable **Orthopedic Implants and Instruments**. We are proud to say that these products, with their superior built and unmatched resistance to any kind of degradation, have been the first choice of orthopedic surgeons and doctors all over the world. Further, these are widely appreciated for flawless designs and dimensional accuracy.

With quality as our forte and client satisfaction as the only aim, we have witnessed a multi-dimensional growth in the recent years. Our implausible yet inevitable success can be credited to the inherent diligence and brilliance of our professionals. These individuals are incited by a desire to alter the course of lives of patients with orthopedic conditions towards a more definite and better path. Thereby, with assistance from a one of its kinds manufacturing unit, they incline their untiring efforts towards the development of products of international quality standards. Our team of highly experienced quality experts makes sure that these products excel on every parameter hence ensuring complete client satisfaction. Testifying our claims is the coveted **ISO 9001-2008 certification**, which is undoubtedly a notable achievement.

Our organization is witnessing the best of its time under the radical leadership of "**Mr Ashwin Vachhani**", who is backed by a 15 years of experience in...
