About Us

Incepted in the year **2000**, at **Faridabad (Haryana, India)**, we “**Surjeet Brake Industries**”, are enthusiastically affianced in **Manufacturing** and **Supplying** a wide assortment of **Brake Block, Clutch Liner, Brake Shoes, Brake Lining, Clutch Facing**, etc. Precisely designed, these spare parts are extensively demanded in automobile industry. The spare parts provided by us are manufactured as per the industry set norms from the finest quality raw material and the latest machines. Spare parts provided by us are highly acknowledged in market due to their attributes such as high strength, abrasion resistance properties, resistant to temperature, easy installation and durability. In tune with customers’ ever-evolving choices, we provide these spare parts in different dimensions, sizes and shapes. Our experienced team of quality controllers properly checked these spare parts on defined quality parameters with the help of sophisticated testing tools and equipment. Also, we provide these spare parts to the clients in large quantity within scheduled time frame.

Under the guidance of our mentor, “**Mr. Prashant Vohra**” and “**Mr. Hansraj Vohra**”, we have gained huge success in this domain. We have constructed an advanced infrastructural base, which helps us in the manufacturing flawless range of spare parts in several specifications. We have further divided this unit into several...
