About Us

We, **Surya Fitness** are noted firm and a highly trusted name in the domain of fitness industry. Besides, we operate our business activities from **Mumbai, Maharashtra, India**. Moreover, we emerged as an eminent **manufacturer** of **Fitness Equipments** such as **Flat Bench, Flat Olympic Bench, Exercise Bikes** and many other allied machines. Further, we are continuously delivering unparalleled quality range of Indoor as well as Outdoor Gym Products, since our inception in this fitness field. **surya fitness** was established in **2000** and at the beginning of our business, we manufacture only Commercial Fitness Equipments. But currently, we are offering an extensive array of strength equipments for both Indoor as well as Outdoor activities. Some of the major aspects that aided us in achieving a dominant position are contemporary infrastructure, ability to complete the orders before the deadline and transparent business approaches. Furthermore, we have created huge client base across all the major cities of India due to our customer value and uninterrupted support. In addition, our entire range of fitness equipments are highly appreciated in the market and widely known by the names of Indoor gym, Open gym, Home gym fitness, etc. Apart from this, our core motive is for promoting fitness among several different age group peoples of 12 years - 75 years, that includes children, women, men and senior citizen too. Along with this, the...
