About Us

We introduce ourselves as manufacturer, exporter and supplier of Sandal Wood products in bulk quantity. We have established and verified track record of making and supplying sandalwood products. We are specialized in Sandalwood beads, Sandalwood Beads Mala, Sandal Bracelet & Sandalwood Handicraft. We make sure that the material purchased to make these products should be from a reliable and genuine sales person. Our main focus is based on genuine quality, added value and proper customization.

Since the beginning, we are supplying a wide range of Sandalwood handicrafts with perfection. Our products are the mere result of carving the products using superior quality raw material. We make sure to buy the material from a trusted and known vendor. We have extraordinary brilliant team of craftsmen who skillfully design these products. As these products have spiritual value in the eye of our customers, therefore, we also formulate and plan these items according to the specifications and requirement of the client. Our separate different departments for quality check leave no stone unturned in order to bring a perfect production.
