Suvidha Healthcare Private Limited is an independently owned and operated teleradiology service provider offering a comprehensive range of high quality reporting service in the field of medical imaging.

About Us

Suvidha Healthcare Private Limited is an independently owned and operated teleradiology service provider offering a comprehensive range of high quality reporting service in the field of medical imaging.

Our team of skilled and qualified radiologists, combined with the latest technology ensure you receive the highest standard of reporting.

We are recognised as experts in our field and aim to provide affordable diagnosis to patients in remote areas where radiology talent is scarce.
