About Us

Suyog is one of the emerging Publishing houses in India. Suyogs remarkable journey began very modestly nearly twenty years ago from retail business in Pune. Suyog later entered institutional sales and now serves various Engineering, Medical & Pharmacy Colleges, Management Schools, Defence Libraries, etc. Suyog has published books primarily in areas of Engineering and Management studies with the brand name of Techtree Education and Pharmatree Education. Suyog has exclusive national distribution arrangements with some of the leading international publishing houses. Our Sales and Marketing programs are supplemented by an in-house data base of retailers, facilitating on line shopping, direct mail order business as well as exhibitions. The relentless efforts towards improving its services and excellent relations maintained in the industry, has made Suyog an unprecedented choice in the publishing industry.
