We are counted amongst the reckoned serviced providers offering Cargo, Courier and Packing & Moving Services. Our services are known for their reliability, proper execution and timeliness.

About Us

Established in the year **2002**, '**Suyog Logistics**' is a known service provider of **Cargo, Courier and Packing & Moving Services**. Every service that we render is framed and carried out in line with the domain standards. Our services are characterized by delicate handling, timely delivery, 24X7 assistance and value for money. We have regular clients associated with us from across the major global markets.

Our past records, expertise and word of mouth publicity from our customers have been reasons for our strong foothold in the market. Team of professionals working with us has tremendous industry experience and hence, understands the intricacies well. We also have network of offices and agents across the global market that handle the processes. For every service, complete documentation of custom clearance and varied other transportation processes is attained.

The proprietor of our firm, '**Mr. Yogesh Vijay Koyande**' has taken the firm to matchless pinnacle of success. His vision, ability to predict market conditions and focused attitude is praiseworthy.
