About Us

Welcome to Shree Vithalesh Minerals!!! Welcome to the official website of Shree Vithalesh Minerals, the leading manufacturers of Mineral products in Dahod. Navigate the website for more product information.

We, Shree Vithlesh Minerals(SVM), are prominent manufacturer, exporter and supplier from India. A partnership firm established in 2016. Our group is incorporated under the mineral powder, gov road contracts and redmix concrete plant/suppliers and garments business.

We SVM are acknowledged exporter, manufacturer and supplier of supplier of Quartz, Dolomite and Feldspar. Processed by making use of the latest technology in compliance with well-defined industry norms and standards, this whole process is carried out in hygienic conditions so as to come up with the best quality. Our offered powder is appreciated for its high whiteness, uniform particle size, stable chemical property, purity, long shelf life, effectiveness and reasonable prices.

At our organization, we make all our business endeavours directed towards acquiring maximum satisfaction of our valued clients. We strive to make every possible effort so as to make clients experience the best service in the industry. Further, at our end we ensure to nurture mutual understanding with our customers. This is why we continue to scale ladder of success.

Manufacturing Unit The manufacturing unit of our company is spread across a sprawling area. The machines installed in it are latest & automatic and...
