<https://www.indiamart.com/svautoindia/>

Our main focus is on manufacturing all Three Wheelers spares. Our motto is to Furnish utmost satisfaction to our valued Customers by minimizing the lead time for manufacturing & supply with genuine quality.

About Us

Established in the year **2004**, we, “**SV Auto India**”, are well-known and leading **manufacturer** and **supplier** of a wide assortment of **Engine Parts, Clutch Parts, Casting Parts, Body Parts, Gear Parts, Lock Parts, Mounting Parts** and **Cable Parts**. These are fabricated under the guidance of a skilled team of professionals using high grade raw components and the latest technology in observance with international quality standards. Our team of procuring agents procures the requisite factor inputs from only reliable and certified vendors of the market. Also, our products have a wide application in automobile industry. We offer these products in different specifications in order to meet the variegated needs of the clients. Besides, clients can get these products as per their precise requirements through our customization facility. We started manufacturing Auto washers in the year 2004 in a small manner to produce 40000 pieces per month and the positive market and the esteemed customers who certified our quality to their satisfactory level provoked us to manufacture various Auto parts. Therefore, in the year 2007 we started manufacturing Of Jacks and many components for tractors and Three wheeler Auto, in the year 2008 and 2009 we started manufacturing all type of sheet metal products as per OEM requirement. In the year 2010, by continuous support of our valued customers, strong suppliers and energetic work force...
