About Us

Established in 2008, **Swastik & Group** which has the vision of healthy living by healthy eating. Currently all products are sold under the brand name “**Swastik & Group**”. The company plans to make the brand name, a name which would be synonymous to the quality and purity of the products.

Currently **Swastik & Group** is dealing with products which are of premium quality in terms of spice powder and whole spices made from premium quality Indian spices like Turmeric (Haldi), Chilli (Mirchi), Coriander (Dhania) and Cumin (Jeera) are presently under production and offered to the consumers. The company is in the process of giving premium grade any time of Indian masala to the customers and buyers interested .The production cycle from the whole seeds to the grounded powder are done with the best and utmost care involving the best available machinery and skilled man-power. Keeping in mind the promise made to each and every consumer, we take special care of the cleanliness of our product.
