About Us

THE SWASTIK PHARMACEUTICALS” the name itself a Unique Symbol of Quality. The Swastik Pharmaceuticals is an Established Pioneers & Masters of Spirituous Preparations and manufacturers of General Antiseptics (Topical & Oral), Tinctures, Veterinary De-wormers since 1969 with quality range of different pharmaceutical formulations. Supplying qualitative & competitive Repacked items is it’s another criterion.

The Swastik Pharmaceuticals has grown tremendously to establish its name by having an ultramodern facility to manufacture Liquid Orals & External Preparations to cater to the needs of both Human & Veterinary. The state of the art plant is certified as per the latest GMP norms and complies with the latest Schedule-M procedures..

The Unit is promoted by Technocrats, Mr. D. Sankara Rao, Mr. D. Ramesh Babu, B.Com. & Mr. D. Tarun Siva Kumar, M.Pharm., who have well experience in Pharmaceutical Field and the Unit is managed by experienced & dedicated Technical Staff for production and Quality Control.

Beside offering its qualitative products in Trade Market & for Ethical Promotion, the Unit is catering to the needs of Public by supplying its formulations to various Clinical & Diagnostic Laboratories and to so many State Government Institution’s (approved under rate contract of different states).

Serving for mutual benefit is the main motto of The Swastik...
