About Us

Incepted in the year **2013**, at **Sahibabad (Uttar Pradesh, India)**, we “**Swastik Enterprises,**” are engaged in **manufacturing and supplying** an extensive range of **Electric Rickshaw, Battery Operated Rickshaw, Electric Passenger Rickshaw and Eco Friendly Rickshaw**. These three wheelers and their parts are designed and manufactured in accordance with the set market norms using supreme grade components and the latest technology under the guidance of skilled professionals. The spare parts we use to assemble these products are sourced from reliable vendors of the market. These are broadly appreciated for power efficiency, high strength, optimum functionality and longer service life. In order to meet the varied needs of the clients, we offer these products as per the needs of the clients.

Being a client-centric organization, we left no stone unturned when it comes to client satisfaction. These products are quality tested on various parameters to make fit on the customer's expectations. We have wide distribution network that helps us in supplying these products in a timely manner. We maintain a high level of transparency in all our dealings, which help us attain maximum level of client contentment. Due to our ethical business policies, prompt delivery, competitive prices and client-centric approach, we are constantly establishing a long list of satisfied clients across the global market.
