About Us

Synise - leader in the area of **Procurement and Selling Services**, is a part of the **US\$ 2.4 Billion Kalyani Group** with interests across Manufacturing and Information Technology. A trusted partner of the purchasing organizations, Synise has been delivering consistent results to many large corporate by way of reducing costs and improving their procurement and disposal processes. Our objective is to help businesses leverage the advantages and efficiencies of leading e-business applications like **eSourcing , eSelling , eDisposals , SCM services and Outsourcing.** at significantly low costs giving 'Fastest time to ROI'. Quite clearly, we focus on Value Added services, with the clear aim of achieving customer end goal - cutting costs, reducing lead times and enhancing productivity.
