Synopsys Tech Pvt. Ltd. is a professionally managed company manufacturing and supplying many **products related to Building Management Systems.**

About Us

Established in **2014**, **Synopsys Tech Pvt. Ltd.** is a professionally managed company manufacturing and supplying many products related to Building Management Systems. Our motto is to develop Synchronised operating systems, technologically advanced and backed by continuous research and development. The Company has been incorporated by individuals having more than 25 years of experience in sales, marketing, technology and well as technical services. We are a name to be reckon in **Microcontroller Based Fire Alarm Panels & Accessories, Water Leak Detection Panels and Accessories, Rodent Repeller Panel (R-Scat) and Accessories, Public Address Systems and Fibre Glass Hose Boxes**. We have also come up with a range of new world-class products like **Pre-action System and the Visual Alarm and Voice Annunciation Panel (VAVA)**. We have established ourselves in the industry for virtues like good quality and cost-effective products, timely supply, prompt after sales service along with an efficient and dedicated research and development team.
