About Us

Syscare Technology offers complete Computer Hardware & AMC Services to small business houses as well as to giant corporate. We bring together latest technology in offering our services to all our clients, either in Tamilnadu or any corner of India. We also offer online hardware and networking support to our clients. Syscare Technology provides Computer Sales and Services, Annual Maintenance Contract, Desktop Motherboard Chip Level Services, Data Recovery, Backup All type HDD, Networking Infrastructure Design, Network Security, All Brand Laptop Chip Level Services etc. Syscare Technology major activity is to provide corporate level hardware maintenance support in all over tamilnadu. After completion of warranty period of the supplied hardware products, We are supporting their products by offering Annual Maintenance Contract (AMC) to valuable customers. We also take third party maintenance support to the corporate as another business opportunity. The work ethic and integrity that established and drives our business has paid off with thousands of successful and happy repeat customers who have experienced the excellence in everything we do. To many of our loyal clients we offer free problem diagnosis services and charge for only the parts used and our maintenance service fee. We are highly flexible in our timing, and attend the problems at clients' site at their comfortable time, either day or night. Syscare Technology provides Computer Sales and Services, Annual Maintenance...
