About Us

We are led by Er. Ankur Pruthi, who has with him extensive industry experience. His operational expertise guides the team in manufacturing facade engineering designs that meet the prevailing industry standards. Furthermore, the support of experienced workforce also allows us to deliver the range with customized changes as per the specific demands at client's end. We also regularly upgrade our facilities as well as bring enhancements in our range. Our domain expertise enable us to offer these at cost effective prices to our clients.
