Taheri Exports & Royal Crystal Art

<https://www.indiamart.com/taheriexports/>

We are counted amongst the distinguished names of the industry, engaged in manufacturing, supplying and exporting an exclusive range of Leather Products and Gift Items. Customized products are also offered for corporates sectors and individuals.

About Us

Our firm Taheri Exports established in 1999 and manufacture leather goods and leather accessories in the name of Jild Design and crystal items in the name of Royal Crystal Art. Owing to our robust manufacturing facilities, we are able to offer an extensive product line that is open to customization. Our professionals are adept in using the advanced techniques and customize the products for corporates and individual clients both. Once the orders are prepared, these are timely delivered through our wide distribution channel. We are serving a large clientele in all parts of India, as well as Central America, Middle East and South America. Our mentor, 'Mr. Juzer' is a visionary businessman and with his apt leadership and continuous motivation, we are able to achieve greater success in the industry. He has helped us in garnering a large clientele. Our organization, 'Taheri Exports' was established in the year 1999, as a manufacturer, supplier and exporter of a wide gamut of Leather Products and Gift Items. All these items are manufactured using high quality raw material and are appreciated for features like perfect finish, unique designs, high durability and wear & tear strength. Owing to our robust manufacturing facilities, we are able to offer an extensive product line that is open to customization. Our professionals are adept in using the advanced techniques and customize the products for corporates and individual clients both. Once the orders are...
