About Us

Takii has entered the 180th anniversary of the company's foundation. We would like to take this opportunity to express our deepest thanks for your support over the last 180 years. Takii & Co., Ltd. was established in 1835, right in the middle of the Tenpo Famine that began in 1832. Ensuring a stable supply of superior seed products that produce varieties which are productive, flavorful and nutritious to sustain mankind has been our unchanging mission for 180 years. Reaching a milestone as significant as our 180th anniversary has made Takii & Co., Ltd. even more steadfast in the pursuit of its mission: Contributing to society through the creation and stable supply of high quality, excellent seed varieties.
