About Us

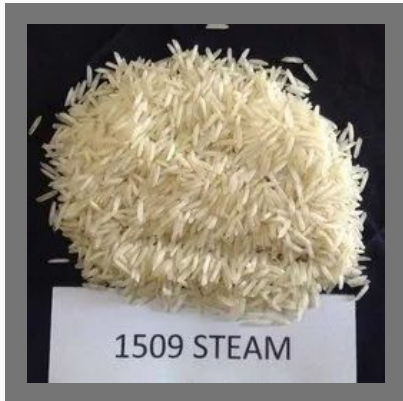

Based West Bengal, India, A well Known,Wholesale and Trader and Exporter. Our company has registered under MSME and associated with FIEO . we are engaged in the business of offering Fresh Rice, Cashew Nut and raw honey. Raw honey comes straight from the honeycomb. We are usually just filter the honey to remove small bits of debris, including pollen, beeswax, and parts of dead bees. All the products are international quality standards and norms. Our team of sourcing agents is responsible and efficiently manage the task to finish it with the best results. Our products are Highly appreciated and preferred by customers in the global & domestic market, Apart from this, the industry leading prices at which we offer rice , nut & honey makes these an instant hit with the customers. These are duly packed under strict hygiene conditions and controlled temperature to retain their nutritional value, freshness intact and enhance their shelf life. Supported by a team of food experts, quality analysts, sales personnel and other expert professionals, we are successfully catering to the demands of our clients. Our team works in close co-ordination for the growth of our company and makes consistent efforts to deliver the range of rice as per the client's requirements. Moreover, our team of experts works in close coordination with farmers and offer valuable suggestions on various factors and some of them are optimum picking times, quality...
