About Us

HR Solutions is a prominent and well-established professional HR management firm in India. At HR Solutions we are determined to play an active role in the advancement of our clients world over by providing them with very qualified and technologically skilled human resource personnel. At HR Solutions, we simply don't stop at the objectives and goals set by our clients; we go the extra mile to ensure that businesses get the best talent in the industry and individuals are linked to a company in which they have the perfect fit. The headquarters of HR Solutions is located in Mumbai, the business centre of the country. In addition to being strategically located, we have a solid network that reaches every nook and corner of the country. Irrespective of the place you are located in, we are certain to help you by identifying a highly qualified and technologically skilled individual, based on your requirements and specifications. In addition to offering talent to firms based in India, we are quite proficient and experienced in international human resource outsourcing services. In order to provide our international clients with swift and efficient service, Apart from providing talent to companies in India, we also specialize in HR outsourcing to the international market.
