## About Us

Established in 2009, TANU EXPORTS is a reckoned business entity making available a wide range of products in the global markets. Situated in Thiruvallur, Tamil Nadu, the company has spread its arms in almost all parts of the globe. Under the proficient headship of the honorable Proprietor, R. DINESHBABU, the company has been scaling new heights of success in all its business endeavors. Owing to his vast experience of more than 10 years, we are capable of catering to the exact expectations of the clients. Strengths We have advanced facilities for production, processing, storage and packaging of the assorted products that we deal in. Besides the facilities, our team is our key strength. We are assisted by a team of professionals who are well-versed with demands of the clients and procure the best quality products from the most dependable vendors. Further, our team comprises professionals from various domains including, marketing, checking, etc. Hence, we ensure delivery of only flawless products. Quality Assurance Quality is the major concern of our company. Hence, to ensure best quality, we conduct stringent tests and checks over all the products following strict quality measures. All the checks are conducted under the supervision of our quality control executives. This enables us to deliver premium products to the clients, meeting their diverse requirements. Network We have expanded our base in different parts of the world. Our network base is largely expanded in...
