Tanvi Trading Corporation

<https://www.indiamart.com/tanvitradingscorporation/>

We are a leading organization engrossed in exporting an effective array of **Solar Power and Lighting Products**. Offered items are highly demanded by our customers for their high performance and longer service life.

About Us

We "**Tanvi Trading Corporation**" from **2016** are highly popular organization passionately engrossed in the exporting the broad collection of **Solar Power and Lighting Products**. Offered selection of products consists of superior quality Solar PV Modules, Solar Pump Controller and Solar Pump Sets. Our provided products are made using top grade components with following industry standards at vendors end. The offered products are appreciated owing to light-weight, high performance, and long service life.

We have a huge vendor base to offer this wide assortment of products. We have selected these vendors after verifying their product quality and legal status. Our vendors offer us the best grade solar power and lighting products and increase our position in the market. We have a well-equipped warehouse, which is used for storing the products proficiently. In addition to this, we have a team of hardworking professionals, which helps us in gaining organizational aim in a short span of time. To dispatch products at client place within limited time, we have a large distribution network.

Under the constant supervision of our mentor **Mr. Deepak Rudrappa Hebbal**, we have been able to achieve top position in this domain. Due to his valuable direction, we cater the exact need of our clients.
