About Us

Established in the year **1972**, we "**Tarmal Glass House**" are the leading **manufacturer** and **exporter** of a wide range of **Fluted Glass, Reeded Glass, Printed Glass, Back Painted Glass**, etc. We started with the aim to grow hand in hand with all our employees, vendors and clients. Thus, we always keep quality of the product on the top of our priority list as we believe that it is the key to growth. We collect the raw materials from trusted vendors and manufacture our products on the basis of the need of our clients. We are also known for timely delivery of our products. Our experienced staff works closely with customers or site contractors to ensure all work is carried out to the highest standards.

Under the guidance of our mentor **Mr. Mohammed Kachwala**, we have gained a huge expertise in this domain.

We cater to our client's need for Architectural Glass and Interior Decorative Glass requirements, along with providing solutions and consultancy for glass installations. Our experienced staff works closely with customers or site contractors to ensure all work is carried out to the highest standards.
