About Us

Karun Constructions is a Civil Engineering Construction firm located in R.T. Nagar, Bangalore. Our Company aims to deliver superior value to all stakeholders through imaginative spaces created out of deep customer focus and insight. We have been in the industry for last 14 years. Karun Constructions is the brainchild of our founding partners Sri K. Karunakar and Sri M. Chandrakanth driven by core values of integrity, commitment and loyalty to customers. Deliver superior value to all stakeholders through imaginative spaces created out of deep customer focus and insight. The Karun Constructions specialize in developing a specific structure for a certain purpose. Our success derives from a deep understanding of our clients, to whom we are committed to deliver exceptional service and value.. The Karun Constructions can even establish the external design required.
