## About Us

Incorporated in the year **2002**, we “**Taruna Biyani Jewels Inc.**” are betrothed in **manufacturing, exporting and supplying** attractive array of **Wedding & Bridal Jewelry Sets, CZ & Signity Diamond Necklace Sets, Contemporary Fusion Jewelry, Freshwater Real Pearls Necklaces, Bangles & Bracelets**, etc. Our offered jewelry range is designed at vendors end by making use of precious metal and stone. We provide jewelry in various designs, shapes, patterns and sizes at economical prices. Owing to features such as perfect finish, classy patterns, beautiful design and crack resistance, the jewelry range is highly demanded across the nation. Under the headship of our mentor, “**Ms. Taruna Biyani**”, we have been able to reach at the pinnacle of success. We are supported by team of designers, storekeepers, packaging experts and sales & marketing representatives.

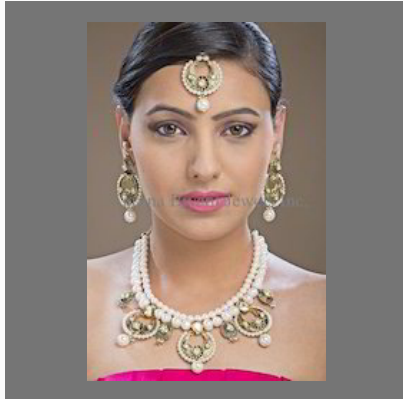

In order to design these products, we have developed a sophisticated production facility that is operational with all the required machines and tools like cutting, polishing, welding, testing, etc. Our excited and keen team of professionals holds enormous knowledge and assists us to stay ahead of our competitors by working in close association. In addition, we have a dependable and well-developed quality testing unit that is administered by our skilled quality controllers. This facility facilitates us to deliver attractive, elegant and...
